Finishing Strong this year and Updates for Next Year:

Congratulations Ethel Boyes students and families on tremendous success this school year. Students in grades K-3 have made large gains in reading based on IRI state reading tests. ISAT testing results are coming in showing growth for our 4-6 graders in ELA and Math. Thank you Bulldog students, families, and teachers for your hard work all year !

This year we say farewell to Mrs. Andersen, second grade, she will be teaching third grade at Longfellow this fall. Best wishes as well to Mr. Barnes, fifth grade, who will be teaching math at Eagle Rock . Mrs. Taylor has accepted a job as an instructional coach. Marcy Hanson will be joining our fourth grade team as we are returning to two third grade classes. Mrs. Hildebrandt, Resource Room, and Mrs. Tom, preschool, are both retiring. Mrs. Barton, ESL tutor, will be remaining home welcoming a new baby. Jessica Means, secretary, will become the new administrative assistant for the Professional Technical Education Department. We will miss you all!

In the fall we welcome Cheyenne Shultz as our new Kindergarten teacher. Ms. Shultz is currently teaching Kindergarten in Montana. In second grade we welcome Carolyn Laney. Ms. Laney did her student teaching at Boyes this fall and is currently completing a long-term substitute position in third grade at Erickson. Filling the fifth grade position will be Kylie Dixon. Mrs. Dixon has taught Kindergarten at Boyes for the past five years. Kassie Pfeiffer is the new resource room teacher. Mrs. Pfeiffer taught many different age levels of special education students in Illinois. Joining the resource room team is an additional half-time teacher Megan Gil. Mrs. Gil is currently teaching 8th grade special education math in Utah. Roxanna Flores will be our new full-time secretary. Mrs. Flores worked as the secretary at Westside and is currently the part-time secretary at Hawthorne.
