- Technology that enables

District 91 Goals:

1. Raise the bar, close the gap

Each school will improve achievement for all students while closing achievement gaps for identified student groups, with particular focus on sub-populations.

2. Empower school leaders

Idaho Falls School District 91 will be accountable for developing essential leader, teacher and staff competencies and optimizing all resources to achieve each school's strategic goals and outcomes for student success.

3. Build strong communities

Idaho Falls School District 91 will create opportunities for parents, community and business leaders to fulfill their essential roles as actively engaged partners in supporting student achievement and out comes for student success.

4. Support excellent teaching

All teachers will engage every student in meaningful, authentic and rigorous work through the use of innovative instructional practices and supportive technologies that motivate students to be self-directed and inquisitive learners.

5. Measure achievement

Idaho Falls School District 91 will develop and implement a balanced assessment system that accurately reflects student demonstration and mastery of the Common Core State Standards for Literacy and Mathematics.

6. Create high-achieving schools

Idaho Falls School District 91 will provide intensive support to schools that are in school improvement and re-structuring status as identified by state accountability measures.
